MESSAGE:

ATTACHED IS A DRAFT AMENDMENT FOR REVIEW AND DISCUSSION.

A confirmation copy of the transmitted document will:

☒ Not be sent. This will be the only form of delivery of the transmitted document.

The information contained in this facsimile transmission is intended only for the use of the individual or entity named above and those properly entitled to access to the information and may contain information that is privileged, confidential, and/or exempt from disclosure under applicable law. If the reader of this transmission is not the intended or an authorized recipient, you are hereby notified that any unauthorized distribution, dissemination, or duplication of this transmission is prohibited. If you have received this transmission in error, please immediately notify us by telephone or facsimile. Thank you.

DRAFT

1. A method of modifying an image on a web page, the method comprising:
establishing communication with a remote computer using at least one Internet
protocol;
downloading the web page from the remote computer;
displaying the web page in a web-browser interface; ~~and~~
in response to the user selecting the image from the displayed web page directly
from the web-browser interface, presenting the image in an editing interface for
modification by the user; and
saving the modified image as a modified source file on the remote computer.
